SUGGESTED ANSWERS

The only time I fell in love was in my third year of college when I fell for a girl whom I not only knew well, but also despised a little, since she was a bit silly. And suddenly, I found myself deeply in love (with her). I don't really know how this came about/how this happened to me, of all people, a cynical man, always discontent/never happy with my lot/a grumbler of the worst sort/ the unhappy kind. Or I might have got into trouble for this reason. She might have caught me defenseless, like a boxer, too conceited/ too pleased with/proud of my intelligence and sharp wit to be wary of her/ fend her off/avoid her/ stay away from her. She caught me as if I had been a big fat fly (struggling) in the web of a small, insignificant spider.
